

LPG CYLINDER EXCHANGE

Oryx Energies and other Suppliers of LPG have implemented a general practice that permits the exchange of one brand for another brand of cylinder.

ORYX ENERGIES CYLINDERS

Oryx Energies Depots and Accredited Distributors can only refill Oryx Energies cylinders. All Oryx Energies Cylinders that are sold need to have the correct shrink seal that has Oryx Energies logo and unique serial number which is covering the cylinder valve.

CYLINDERS THAT CAN BE ACCEPTED FOR EXCHANGE

- Afrox
- Avedia Gas
- BP
- Easigas
- Engen
- EPG
- Indigas
- Kayagas
- Reatile
- Solgas
- Totalgaz
- Wasa
- Laboh

CYLINDERS THAT CANNOT BE ACCEPTED FOR EXCHANGE

This includes any of the following Cylinders:

- Cadac, Presto Gas, Alva, Totai, Outback, Kellerman, Apex, Ref Chem, Howling Moon, Big Jim, Pabar & multi-valve cylinders.
- Oryx Energies customers are not to accept any cylinders where the branding cannot be correctly identified due to damage.
- No fire damaged cylinders will be accepted at all.
